5. Actions taken by the Department in response to the case including any changes to policy or practice and/or recommendations for further changes in policies, practices, rules or statutes:

The Department conducted a joint investigation with the Tucson Police Department. Following an assessment of child safety, the other children who reside in the home were assessed as safe with their parents. The Department provided the family with a list of community resources and an Arizona Families First referral. The allegation of neglect to Ayla by her mother, Jade Green, was substantiated and the case was closed.

The Department reminds all caregivers to practice safe sleep. For additional information please visit the DCS website at: https://dcs.az.gov/Services/Safe-Sleep.

Additionally, in accordance with A.R.S. § 8-469, cases with prior involvement with the Department within 3 years of the critical incident are reviewed by a multidisciplinary team (MDT). The team selects cases that present opportunities for systemic learning or that demonstrate opportunities for systemic change. The Department uses the aggregate data gathered through the MDT reviews to assess and guide future changes and/or recommendations to policies, practices, rules, or statutes to improve the quality of outcomes for children and families receiving services from the department. Findings from these reviews are compiled into an annual report which is shared on the DCS website. The target date for release of the next report is December 1, 2025.
