Summary Report	Fatality	11/13/2025

1. Victim: Jacob Foreman 2-year-old male

2. Was the child residing in the child's home or in an out-of-home placement at the time of the fatality?

The child was residing in his home when the following incident occurred:

> On March 22, 2025, the Department of Child Safety received a report regarding two-year-old Jacob Foreman and his siblings, who had been involved in a head-on motor vehicle collision. Jacob was restrained in a car seat; however, sustained injury. Emergency medical services transported him to the hospital, where he was pronounced deceased. The cause of death was determined to be blunt force injuries sustained in the crash. During the investigation, the Department determined that the father, Jesse Foreman, had been operating the vehicle while under the influence of alcohol and marijuana. Mr. Foreman also died due to the injuries he sustained in the accident.

3. If the victim in the Preliminary Report involved a child residing in the child's home, the following information will be provided:

a. Services being provided to the child, a member of the child's family or the person suspected of the abuse or neglect at the time of the incident and the date of the last contact before the incident between the entity providing services and the person receiving services:

There were no services being provided to the family by the Department of Child Safety at the time of the incident.

b. Was the child, a member of the child's family or the person suspected of the abuse or neglect the subject of a report for investigation at the time of the incident?

No.

c. All involvement of the child's parents and of the person suspected of the abuse or neglect in a situation for which a report for investigation was made or in services provided pursuant to this chapter in the five years preceding the incident:

The child's mother and father, Jesse Foreman, were involved in the following prior reports in the five years preceding the near fatality incident:

> On July 31, 2022, a report was received alleging neglect to children by their father, Jesse Foreman, and mother. The allegation was unsubstantiated. No additional services were provided to the family, and the case was closed on August 18, 2022.

d. Any investigation pursuant to a report for investigation concerning the child, a member of the child's family or the person suspected of the abuse or neglect or services provided to the child or the child's family since the date of the incident involving the fatality:

The investigation of the fatality report resulted in a determination that a sibling was safe in the care of their mother. No subsequent reports of abuse or neglect have been received regarding the family. A list of community resources, including grief counseling, was provided to the family.

4. If the victim in the Preliminary Report involved a child residing in an out-of-home placement, the following information will be provided:

a. Licensing Agency:

N/A

b. Licensing history of the out-of-home placement, including the type of license held by the operator of the placement and the period for which the placement has been licensed:

N/A

c. Summary of all violations by the licensee:

N/A

d. Any other actions by the licensee or an employee of the licensee that constitute a substantial failure to protect and promote the health, safety and welfare of a child.

N/A

5. Actions taken by the Department in response to the case including any changes to policy or practice and/or recommendations for further changes in policies, practices, rules or statutes:

The Department conducted a joint investigation with the Yavapai County Sheriff's Office. Following an assessment of child safety, a sibling was assessed as safe in the care of their mother. No subsequent reports of abuse or neglect have been received regarding the family. A list of community resources, including grief counseling, was provided to the family.

The Department reminds all caregivers to always properly restrain children in vehicles.

Additionally, in accordance with A.R.S. § 8-469, cases with prior involvement with the Department within 3 years of the critical incident are reviewed by a multidisciplinary team (MDT). The team selects cases that present opportunities for systemic learning or that demonstrate opportunities for systemic change. The Department uses the aggregate data gathered through the MDT reviews to assess and guide future changes and/or
