4/1/2022
- B. Location of child at the time of death or near fatality (city/county):**  
Las Vegas, Clark
- C. A summary of the report of abuse or neglect and a factual description of the contents of the report:**  
CCDFS received a report that the child's caregiver called 9-1-1 after finding the infant cold and not breathing. The baby was found to already be deceased when law enforcement and emergency medical responders arrived at the residence. At the time of the report, limited details regarding the circumstances surrounding the incident were available; however, there is a concern of possible maltreatment.
- D. The date of birth and gender of child:**  
12/7/2021, Male
- E. The date that the child suffered the fatality or near fatality:**  
4/1/2022
- F. The cause of the fatality or near fatality, if such information has been determined:**  
The cause and manner of death are pending official autopsy findings.
- G. Whether the agency had any contact with the child or a member of the child's family or household before the fatality or near fatality and, if so...**
- (1) The frequency of any contact or communication with the child or a member of the child's family or household before the fatality or near fatality and the date on which the last contact or communication occurred before the fatality or near fatality;
  - (2) Whether the agency which provides child welfare services provided any child welfare services to the child or to a member of the child's family or household before or at the time of the fatality or near fatality;
  - (3) Whether the agency which provides child welfare services made any referrals for child welfare services for the child or for a member of the child's family or household before or at the time of the fatality or near fatality;
  - (4) Whether the agency which provides child welfare services took any other actions concerning the welfare of the child before or at the time of the fatality or near fatality; and
  - (5) A summary of the status of the child's case at the time of the fatality or near fatality, including, without limitation, whether the child's case was closed by the agency which provides child welfare services before the fatality or near fatality and, if so, the reasons that the case was closed.

The information contained in this section is limited to contact(s) with the child who is the subject of this disclosure or a member of that child's family or household that is related to the fatality or near fatality incident. This limitation is required to preserve the confidentiality of all child abuse and neglect reports and records in order to protect the rights of the child and family as mandated by the Child Abuse Prevention and Treatment Act (CAPTA), as amended (42 U.S.C. 5101 et seq.).

CCDFS has the following prior CPS history for this child or member of the child's family or household:

8/8/2018 – A referral was received and was coded “Information Only”.

8/20/2018 – a report was received alleging abuse. Upon conclusion of the requisite investigation, the allegation was found unsubstantiated. The family was not in need of services and the case closed.

11/1/2019 – A report was received alleging neglect. Court action was initiated, and a relevant family member was determined to be in need of protection. The allegations were found substantiated. The family was placed under formal supervision and a case plan was put in place. During the course of the open case, a report was received on 3/11/2021 alleging abuse and neglect. A companion report for a second household was also opened with the same allegations. Upon conclusion of the requisite investigation, the allegations in the 3/11/2021 reports were found unsubstantiated. Appropriate services and referrals were provided. On 4/27/2021, a hearing was held, and an order was entered terminating Wardship and In-Home Supervision. The case closed.

5/10/2021 – A referral was received and was coded “Information Only”.

12/8/2021 – A report was received alleging abuse. Upon conclusion of the requisite investigation, the allegation was found unsubstantiated. Appropriate referrals and services were provided based on assessment. The family was also provided with appropriate brochures and information regarding community resources. The case closed.

**H. Whether the agency which provides child welfare services, in response to the fatality or near fatality...**

- (1) Has provided or intends to provide child welfare services to the child or to a member of the child's family or household; and
- (2) Has made or intends to make a referral for child welfare services for the child or for a member of the child's family or household; and
- (3) Has taken or intends to take any other action concerning the welfare and safety of the child or any member of the child's family or household.

CCDFS has opened a case for investigation with regard to the child who is the subject of this disclosure. Companion investigations have also been opened for relevant family members residing in other households. Upon assessment, CCDFS will, as deemed appropriate, provide child welfare services, make referrals for child welfare services, and/or take action concerning the welfare and safety of relevant members of the child's family and/or relevant households.
