On October 29, 2024, the Department of Childrens Services (DCS) received a referral for an allegation of Abuse Death regarding Alleged Child Victim (ACV) [redacted] and [redacted] The Alleged Perpetrator (AP) was identified as birth mother, [redacted] This investigation was assigned to Child Protective Services Case Manager (CM) [redacted] by Team Leader (TL) [redacted]
Residing in the home was [redacted] (Mother), [redacted] (ACV), [redacted] (ACV), [redacted] (cousin to [redacted] and [redacted]
Ms. [redacted] has been taken to the [redacted] Medical Center for a suicide attempt after being found in the bathtub of her home. It is believed [redacted] cut her wrist. [redacted] came home from visiting family in North Carolina around 2:30 a.m. on October 29, 2024, to find their two children dead inside the home.
[redacted] stated that she has been at [redacted] (Aunt next door) house all night due to her and [redacted] getting into an argument. She stated that she [redacted] took her key to the house and kicked her out. Around 9:30- 10:00 pm she went back to [redacted] residence to get some clothing and saw both the children, alive in the residence. She stated that [redacted] has had a lot going on with her and her husband [redacted] and she was very agitated the day before.
TL [redacted] asked [redacted] if she would be willing to complete a forensic interview and she agreed. Later that day an interview was completed. She texted [redacted] at 7:28 and said can I come stay with you and it was 7:32 when she got over there and at 9:00 she called [redacted] and asked if she could come get underwear and [redacted] hung up on her so she went over there at 9:30 to get her stuff.
[redacted] stated that at 930 [redacted] was asleep in his crib. [redacted] stated that she saw [redacted] asleep in his crib because she had to walk through [redacted] room. [redacted] stated that everything looked normal and she didnt tell [redacted] bye and she feels bad about that. [redacted] stated that she heard [redacted] talking to [redacted] and everything seemed normal. [redacted] was in the bathtub. [redacted] stated that she could hear them in the bathroom, and they were laughing.
[redacted] stated that she went to [redacted] and played on her phone, and she fell asleep about 1am and she woke up at 2:30am. [redacted] woke her up and she looked out the window and there were ambulances everywhere.
[redacted] stated that they dont give the kids medicine unless theyre sick. [redacted] stated that [redacted] got shots on the 23rd and he had gotten Tylenol then.
[redacted] stated that they didnt take anything to help them sleep. The kids dont take melatonin. But there are melatonin gummies there that [redacted] would take sometimes if she couldnt sleep. They were kept on the top shelf in the bathroom so

the kids couldnt reach them. In the closet where the towels and shampoo and stuff is.
[redacted] stated that [redacted] was a really good mom, and she never imagined this would happen and she never noticed any sort of self-harming behaviors with her or anything of that nature.

On October 29, 2024, an autopsy was completed on [redacted] and [redacted] by Dr. [redacted], DO, from [redacted] Forensic Center. Cause of death was listed as asphyxiation due to smothering for both child victims. Manner of Death was listed as Homicide for both alleged child victims.

Child Protective Investigative Team was held on December 13, 2025. CPIT convened per CPS policies #14.3 Section G # 6 as well as 14.6 and per local protocol for [redacted] County. Alleged Perpetrator [redacted] confessed to smothering her children with a blanket on 10/29/2024. [redacted] and [redacted] were found deceased by their father in the family home. EMS pronounced them deceased on the scene. [redacted] is currently incarcerated on charges related to the incident. Autopsy results have been returned and state that the cause of death is asphyxiation.

Per DCS Policy Work Aid 1 Section H:
Child Death is defined as:
a) Any child death caused by abuse or neglect.
b) Any unexplained death of a child when the cause of death is unknown or pending an autopsy report.
c) Any child death caused by abuse or neglect resulting custodian/caretaker failure to stop another persons direct action that resulted in the death of the child. Child deaths are always treated as severe abuse.

The team was in agreement that there is a preponderance of evidence that supports the substantiation of the Abuse Death. This case is also being classified as Allegation Substantiated, Perpetrator Substantiated for Abuse Death against [redacted]

Child Protective Investigative Team Leader [redacted] went to the family residence on this date of [redacted], [redacted] Tennessee. TL was informed that the father, [redacted] found the children deceased in the home in the early morning hours on this date. The mother was found in the bathtub with what appeared to be self inflicted wounds. The father was currently at the [redacted] Police Department completing an interview.

When TL [redacted] arrived at the residence TL spoke to Captain [redacted] who reported that the other child, [redacted] who was residing in the home of [redacted] (deceased), and [redacted] (deceased) was at the neighbors residence next door. TL was walked over to the residence and spoke to [redacted] who was standing outside. She stated that [redacted] is her sister. She reported that [redacted] was inside her residence. She walked TL into the residence. Inside the residence were multiple people including [redacted] father.

TL spoke to [redacted] alone in a bedroom located inside the residence. TL explained the purpose of her being there and offered condolences to the child for the loss of her cousins. [redacted] stated that she has been at [redacted] house all night due to her and [redacted] getting into an argument. She stated that she [redacted] took her key to the house and kicked her out. Around 9:30- 10:00 pm she went back to [redacted] residence to get some clothing and saw both the children, alive in the residence. She stated that [redacted] has had a lot going on with her and her husband [redacted] and she was very agitated the day before. She stated that it was out of character for [redacted] to kick her out of her house. When this occurred that is why she went to [redacted] house. [redacted] stated that she has lived with [redacted] and [redacted] for years. Her sister [redacted] also lived there until a month of so ago when custody was given to the father, [redacted] She stated that [redacted] has not lived in the house for a while because of allegations made against [redacted]

TL spoke to [redacted] about her completing a forensic interview. She stated that she was willing to complete this. TL explained to her the process of the interview and the process of a case. [redacted] was very upset but stated that she was willing to talk about whatever was needed.
