Paragraph 5-9 (estimated): PERTINENT INTERVIEWS
On June 30th, 2024, at 2:00 a.m., CPS CM [redacted] and [redacted] County Law Enforcements Officers, Deputy [redacted] Deputy [redacted] and Deputy [redacted] arrived at the family home at [redacted] TN [redacted] CM [redacted] and LE banged on the front and back doors/windows of the home. LE was able to get Mr. and Mrs. [redacted] awake to answer the front door. CM [redacted] informed the couple of the allegations of the investigation and entered the home. Both Mr. and Mrs. [redacted] were observed to be distraught and in their pajamas. CM [redacted] and LE observed a strong smell of Marijuana inside and outside the family home. CM [redacted] observed ACV, [redacted] being picked up in the back bedroom by her mother, Mrs. [redacted] CM [redacted] stated to both parents that there were major concerns regarding lack of supervision during [redacted] drowning earlier in the day on June 29th, 2024. CM stated that both needed to produce a urine drug screen. Mr. [redacted] asked if we could go to the [redacted] DCS office to do the drug screens and CM [redacted] stated yes. While in the home, Mrs. [redacted] was gathering medication bottles. Deputy [redacted] observed Mrs. [redacted] to have medication bottles that were in [redacted] name. Deputy [redacted] confiscated those medication bottles that belonged to [redacted] Mr. [redacted] told CM [redacted] that [redacted] was with her mother, Ms. [redacted] in [redacted] TN at her home for the night. CM [redacted] stated that [redacted] would need to be brought to the [redacted] Co. DCS office as well. Shortly after this, the family, CM [redacted] and LE left the home headed to the [redacted] Co. DCS Office.
CM [redacted] LE, and the family arrived at the [redacted] Co. DCS Office around 2:45 a.m. Mr. [redacted] consented to a urine drug screen and was positive for Amphetamines, Buprenorphine (Suboxone), and THC. Mr. [redacted] admitted that he and Mrs. [redacted] took some of [redacted] Adderall prescription earlier during the day of June 29th, 2024. Mr. [redacted] admitted that he smoked Marijuana once the couple got home from the hospital. Mr. [redacted] brought his Suboxone prescription with him to the office. CM counted out Mr. [redacted] Suboxone prescription and found it to be over one pill.
Mrs. [redacted] consented to a urine drug screen. Mrs. [redacted] stated to CM [redacted] that she would be positive for Methamphetamines because she smoked Methamphetamine about two days ago. Mrs. [redacted] was positive for Amphetamines, Buprenorphine (Suboxone), Benzodiazepines, Methamphetamines, MDMA (Ecstasy), and THC. Mrs. [redacted] admitted to taking an Adderall earlier in the day with Mr. [redacted] out of [redacted] Adderall prescription. Mrs. [redacted] admitted that she normally does not smoke Methamphetamines but had in the past couple of days with her neighbor to get some extra energy. Mrs. [redacted] stated that she and Mr. [redacted] smoked Marijuana after getting back from the hospital earlier in the night. CM [redacted] conducted a pill count on Mrs. [redacted] Suboxone prescription. Mrs. [redacted] was 5.5 pills over on her Suboxone count.
While at the office waiting on [redacted] to be dropped off, Mr. and Mrs. [redacted] went into a little bit of details about their day with [redacted] Mr. [redacted] stated that [redacted] had stayed the previous night with Mr. [redacted] his father. Mr. and Mrs. [redacted] both stated that they smoked Marijuana earlier in the day but did not smoke at the creek. Mr. [redacted] stated that he and Mrs. [redacted] were at the top of the bridge whenever they last saw [redacted] Mr. and Mrs. [redacted] stated that [redacted] had a bag of popcorn and then they saw him heading back down towards the creek. Mr. [redacted] admitted that they were not properly watching [redacted] go back down to the creek. Mr. [redacted] stated that [redacted] aunt, Ms. [redacted] was at the rope swing and he thought she was watching him. Mrs. [redacted] stated that a by-stander told Law Enforcement that they had last saw [redacted] walk towards a field. Mrs. [redacted] stated that she kept telling LE that he was in the water. CM [redacted] observed Mr. and Mrs. [redacted] to both be in shock. CM [redacted] observed Mrs. [redacted] crying briefly once she found out she would have

[redacted] was found submerged in the creek on June 29th, 2024. The cause of death was found to be drowning. Please refer to autopsy for full report. Both Mr. and Ms. [redacted] were classified allegation substantiated and perpetrator substantiated (ASPS) for Drug Exposed Child regarding siblings, [redacted] and [redacted]
Paragraph 12: ALLEGATION DEFINITIONS
Per DCS Policy Work Aid 1 Section E:
Child Death is defined as:

Any child death caused by abuse or neglect.

Any unexplained death of a child when the cause of death is unknown or pending an autopsy report.

Any child death caused by abuse or neglect resulting from the parent or caretakers failure to stop another persons direct action that resulted in the death of the child. Child deaths are always treated as severe abuse.

Drug Exposed Child (Severe)
Severe forms of this allegation include but is not limited to:

The manufacturing of methamphetamine where children are present, or in close proximity;

Infants born with a diagnosis of Fetal Alcohol Spectrum Disorder (FASD);

Infants born with a diagnosis of Neo-Natal Abstinence Syndrome (NAS) where the diagnosis is not based on the mothers prescribed and appropriately followed Medication-Assisted Treatment;

Knowingly or with gross negligence allowing a child under eight (8) years of age to ingest an illegal substance or a controlled substance that results in the child testing positive on a drug screen, except as legally prescribed to the child; and/or

Knowingly allowing a child to be within a structure where a Schedule I controlled substance under TCA 39-17-406, cocaine, methamphetamine and/or fentanyl are present and accessible by the child.

Paragraph 13: OTHER SAFETY FACTORS
DCS Case Manager [redacted] removed and placed [redacted] and [redacted] with their maternal grandparents, Mr. [redacted] and Mrs. [redacted] due to the mother, Mrs. [redacted] testing positive for Methamphetamine and other drugs on the date of [redacted] death. CM [redacted] has continued to meet with the family monthly and ensure that the children had all needs met.
CLOSING PARAGRAPH
There is a preponderance of evidence to substantiate the allegation of Child Abuse Death/Drug Exposed Child. The case will be closed and classified as Allegation Substantiated/Perpetrator Substantiated for the allegation of Drug Exposed Child/Child Abuse Death.

The death investigation regarding Alleged Child Victim (ACV) [redacted] was debriefed with the following staff: Case Manager (CM) [redacted] Team Leader (TL) [redacted], Team Coordinator (TC) [redacted], TC [redacted], CPS Director (CPSD) [redacted], and Director of Critical Incident Support (DCIS) [redacted]

The CPS investigation was assigned in TFACTS on 7/1/24 concerning the death of ACV [redacted] (4yo). It was reported [redacted] resided with his birth mother [redacted] stepfather [redacted] and siblings [redacted] 6mo and [redacted] 5yo] in [redacted] County. The birth father of [redacted] had regular contact and visitation.

On 6/29/24 [redacted] was reported missing at the [redacted] area in [redacted] County. [redacted] was in the care of his mother and stepfather at the time of the incident with other extended family members present. [redacted] was found in the water by a diver and pronounced deceased on scene. He had no visible marks or injuries. Suspected cause of death is drowning. An autopsy was ordered.

No one saw [redacted] fall into the creek and he could not swim. The parents reported last seeing [redacted] eating popcorn near the bridge then running back to where the aunt was camping. They reported believing with everyone there, eyes were on [redacted] by someone. It was suspected the parents were smoking THC while at the creek with the children around the time of the incident. The parents consented to drug screens [UDS]. The mother was positive for methamphetamines [admitted to last use occurring 2 days prior], amphetamines, buprenorphine [Rx], benzodiazepines, MDMA, and THC. The stepfather was positive for amphetamines, suboxone, and THC. The parents admitted taking Adderall prescribed to [redacted] for ADHD. The family home smelled heavily of THC. The siblings were safety placed with the maternal grandmother following background checks and walkthrough of the home. A pack-n-play was provided to the IPA placement for the 6mo sibling for safe sleep. Hair follicles were completed on the siblings today. The parents have been cooperative and completed A&D assessments. Both were recommended to IOP which they start Monday, 7/8/24. The parents will also complete hair follicles on 7/8/24. Grief counseling is was discussed and is being set up. Criminal charges of aggravated child abuse and neglect are likely pending for the parents.

CM [redacted] LE, the family arrived at the [redacted] Co. DCS Office around 2:45 a.m. [redacted] consented to a urine drug screen and was positive for Amphetamines, Buprenorphine, and THC. [redacted] admitted that he and [redacted] took some of [redacted] Adderall earlier during the day of 06/29/2024. [redacted] admitted that he smoked Marijuana once they got home from the hospital. [redacted] brought his Suboxone prescription with him. CM counted out [redacted] Suboxone prescription and found it to be over one pill. [redacted] consented to a urine drug screen next. [redacted] stated to CM that she would be positive for Methamphetamines because she smoked Meth about two days ago. [redacted] stated that she did not want [redacted] to know. [redacted] was positive for Amphetamines, Buprenorphine, Benzodiazepines, Methamphetamines, MDMA (Ecstasy), and THC. [redacted] admitted to taking an Adderall earlier in the day with [redacted] out of [redacted] medication bottles. [redacted] admitted that she normally does not smoke Methamphetamines but had in the past couple of days with her neighbor to get some extra energy. [redacted] stated that she and [redacted] smoked Marijuana after getting back from the hospital earlier in the night. CM conducted a pill count on [redacted] Suboxone. [redacted] was 5.5 pills over on her Suboxone.
While at the office waiting on [redacted] to be dropped off, [redacted] and [redacted] went into a little bit of details about their day with [redacted] stated that [redacted] had stayed the previous night with [redacted] his father. [redacted] and [redacted] both stated that they smoked Marijuana earlier in the day but did not smoke at the creek. [redacted] stated that he and [redacted] were at the top of the bridge whenever they last saw [redacted] and [redacted] stated that [redacted] had a bag of popcorn and then they saw him heading back down towards the creek. [redacted] admitted that they were not properly watching [redacted] go back down to the creek. [redacted] stated that [redacted] aunt, [redacted] was at the rope swing and he thought she was watching him. [redacted] stated that a by-stander told Law Enforcement that they had last saw [redacted] walk towards a field. [redacted] stated that she kept telling LE that he was in the water. CM observed [redacted] and [redacted] to both be in shock. CM observed [redacted] crying briefly once she found out she would have no contact with [redacted] or [redacted] due to testing positive for Methamphetamines. CM did not fully re-interview the parents due to Investigator [redacted] already interviewing the parents at the hospital.
CM placed both children, [redacted] and [redacted] with maternal grandparents, [redacted] and [redacted]

42pm, [redacted] was discovered by a diver in the creek. They pulled him out and [redacted] was not responsive. They tried to revive him, but [redacted] was pronounced dead at 6:53pm. Paramedics pronounced him dead at the scene. The cause of death was drowning. There is a part in the creek where it just kind of drops off and nobody saw him fall in there. [redacted] could not swim. The family has now gone to the hospital. The ambulance took [redacted] and the family followed behind with some of the other deputies. The other children were present, but officers were searching for [redacted] and did not observe those children closely. It is unknown if there were any marks, bruises, or injuries. No marks, bruises or injuries were noticed on [redacted] that are known to the officer. [redacted] and [redacted] were hysterical and upset.

While on scene, [redacted] and [redacted] were asked if they had been drinking or smoking marijuana and they said that they did not know. They did not answer the question for the officer. Officers smelled marijuana in the vehicles and on their person. It is unknown at this time if there are going to be charges placed. There has been a search warrant issued for blood and hair follicles on the parents. There is a detective already working on the case. His name is Investigator [redacted] His phone number is [redacted].

Child Protective Service Investigation Summary and Classification Decision of Child Abuse/Neglect Referral

Case Name : [redacted] **Investigation ID:** [redacted]

E. Investigation Summary

Instruction: Condense the finding rationale for each allegation relative to the child victim(s). Be sure to identify the facts that provided for the classification decision.

Summarize the key points and dates of the child or children's statements and/or the observation of the child or children's physical state or home environment:

While at the office waiting on [redacted] to be dropped off, Mr. and Mrs. [redacted] went into a little bit of details about their day with [redacted] Mr. [redacted] stated that [redacted] had stayed the previous night with Mr. [redacted] his father. Mr. and Mrs. [redacted] both stated that they smoked Marijuana earlier in the day but did not smoke at the creek. Mr. [redacted] stated that he and Mrs. [redacted] were at the top of the bridge whenever they last saw [redacted] Mr. and Mrs. [redacted] stated that [redacted] had a bag of popcorn and then they saw him heading back down towards the creek. Mr. [redacted] admitted that they were not properly watching [redacted] go back down to the creek. Mr. [redacted] stated that [redacted] aunt, Ms. [redacted] was at the rope swing and he thought she was watching him. Mrs. [redacted] stated that a by-stander told Law Enforcement that they had last saw [redacted] walk towards a field. Mrs. [redacted] stated that she kept telling LE that he was in the water. CM [redacted] observed Mr. and Mrs. [redacted] to both be in shock. CM [redacted] observed Mrs. [redacted] crying briefly once she found out she would have no contact with [redacted] or [redacted] due to testing positive for Methamphetamines. CM [redacted] did not fully re-interview the parents due to Investigator [redacted] already interviewing the parents at the hospital.

Summarize professional, medical or psychological findings or opinions: What is the collateral's oral or written finding/opinion of the incident(s)/allegation(s)?

CPS CM [redacted] spoke with the referent face to face. The referent stated that Inv. [redacted] was off for the rest of the night. The referent stated that he was under the impression that [redacted] and [redacted] were at the top of the bridge smoking a blunt, during the time where [redacted] drowned. The referent stated concerns of lack of supervision and drug abuse during the drowning. The referent stated that the other children were at the hospital as well as the parents. The referent stated that the father, [redacted] was asked to leave the room due to facetiming his deceased son to someone on the telephone. The referent stated that the mother, [redacted] showed little to no emotion. The referent stated that the aunt, [redacted] was hysterical during the situation.

Summarize alleged perpetrator's statement or admission: What is the perpetrator's explanation of the incident(s)/allegation(s)?

Mrs. [redacted] consented to a urine drug screen. Mrs. [redacted] stated to CM [redacted] that she would be positive for Methamphetamines because she smoked Methamphetamine about two days ago. Mrs. [redacted] was positive for Amphetamines, Buprenorphine (Suboxone), Benzodiazepines, Methamphetamines, MDMA (Ecstasy), and THC. Mrs. [redacted] admitted to taking an Adderall earlier in the day with Mr. [redacted] out of [redacted] Adderall prescription. Mrs. [redacted] admitted that she normally does not smoke Methamphetamines but had in the past couple of days with her neighbor to get some extra energy. Mrs. [redacted] stated that she and Mr. [redacted] smoked Marijuana after getting back from the hospital earlier in the night. CM [redacted] conducted a pill count on Mrs. [redacted] Suboxone prescription. Mrs. [redacted] was 5.5 pills over on her Suboxone count.

Summarize witnesses' descriptions of what they saw and what they believe indicates child abuse/neglect:

There is no information for LE regarding witness statements.

Summarize any other evidence or factors that support the investigative finding(s) for the allegation(s) of abuse/neglect:

DCS Case Manager [redacted] removed and placed [redacted] and [redacted] with their maternal grandparents, Mr. [redacted] and Mrs. [redacted] due to the mother, Mrs. [redacted] testing positive for Methamphetamine and other drugs on the date of [redacted] death. CM [redacted] has continued to meet with the family monthly and ensure that the children had all needs met.
