

## Appendix G: Summary of Reports Involving Child Fatality

Per Ark. Code Ann. § 12-18-1104(c), any information regarding a child fatality cannot be released by the Department of Human Services if release of such information would jeopardize a criminal investigation. Of the 58 child fatalities that were reported for SFY 2023, case-specific information could be disclosed for 19 of those incidents at the time of this report's release (see below).

The website <https://humanservices.arkansas.gov/data-reports/state-child-fatality-list/> displays up-to-date documentation concerning all child fatalities and near fatalities reported in Arkansas once that information can be disclosed.
