

## **North Carolina Public Records Act Request**

The following information was received in response to a public records request submitted under the North Carolina Public Records Law (G.S. §132-1) by Lives Cut Short. Records were provided by the Office of the Chief Medical Examiner on January 27, 2025.

CANDID ID: NC\_22\_74

Decedent's Name: Khalil Leak

Victim Age: 2 years

Sex: Male

Ethnicity: Not Hispanic or Latino

Race: Black

Date of Death: 12/01/2022

Death County: Pitt

Cause of Death: Blunt force trauma

Manner of Death: Homicide

Preliminary Circumstances: 2-year-old Khalil Leak died after being taken off life support at ECU Health Medical Center in Greenville. The child reportedly sustained severe injuries- including brain bleeding, liver damage, and rectal trauma- while in the care of Corbin Moore, his mother's boyfriend. Moore had picked up Khalil and his sister and taken them to Pink Hill's recreation center park, where he later claimed the injuries were from the children falling during play. Khalil's grandfather reported the extent of the child's injuries, and authorities have charged Moore with felony child abuse. Additional charges are anticipated.
