Reporter's name/relationship: [redacted]

-Child/Family Identification and Relationship Introduction Paragraph:
[redacted] (2), [redacted] (est 10) and [redacted] (est 9) reside with their mother, [redacted] (30) and her boyfriend, [redacted] (37) in [redacted] County, Tn. [redacted] father is [redacted]

-Are you requesting immediate assistance from DCS to your location, or only an immediate phone call?
By Phone: [redacted]

-Please provide a brief summary of the concerns and why DCS is needed to respond immediately.
On 11-2-22 [redacted] was brought to [redacted] Children's Hospital via ambulance at 1740 and was pronounced dead shortly upon arrival. [redacted] stated [redacted] was sick, throwing up and dehydrated. On the way to the hospital, [redacted] went limp, his eyes rolled into the back of his head, and he became unresponsive. The initial doctor did not find evidence of foul play. An autopsy was completed on 11-3-22 that showed a few rib fractures that were healing. It is unknown exactly when the fractures occurred. The autopsy also showed contusions to the left arm, ribs, and bruising on the left side of the face. [redacted] also had a 3cm tear in his bowel. [redacted] spinal cord was broken between L1 and H2. The medical examiner (Dr. [redacted] has not ruled this a homicide as of yet and will be making a ruling tomorrow. The Medical Examiner is awaiting the homicide detective's report for their final ruling. The police are not making any arrests at this time. until the official ruling comes from the medical examiner. The medical examiner has seen injuries similar to this due to car accidents, however no one in the family owns a vehicle and the parents denied [redacted] being in any car accidents. 2 months ago, [redacted] was shot at by an ex-boyfriend ([redacted] and that was the last time [redacted] was in a car.

[redacted] and [redacted] report they do not know how the injuries occurred. [redacted] reports [redacted] was present with [redacted] prior to him being taken to the hospital on 11-2-22. [redacted] called for EMS on 11-2-22. [redacted] stated she had stepped out for 40 minutes to get her other children from school. [redacted] later stated she was there at the time [redacted] called EMS and they were getting ready to go to the hospital. [redacted] is currently located at the [redacted] Forensic Center. The home has not been observed. DCS had recently come to the home about a week ago. [redacted] has a history of being an aggressor in domestic violence. [redacted] has a history of being a victim of domestic violence. [redacted] smokes marijuana. No other substance abuse or mental health issues are known.

[redacted] and [redacted] are currently at the family home with unknown family member. [redacted] and [redacted] are at [redacted] at the Homicide Bureau. Homicide will await call from DCS to determine when [redacted] and [redacted] will be released. It is not believed the other children are in any immediate danger.

-Are there any concerns for the safety of a Department of Children's Services Case Manager responding to the child's home?
None known.

Narrative Details

Narrative Type: Original Entry Date/Time: 03/28/2025 09:15 AM Entered By: [redacted]

On November 4, 2022, the Department of Children Services received a referral with the allegation of abuse death for alleged child victim (ACV) [redacted] The alleged perpetrator (AP) is unknown. This case was assigned to the Child Protection Investigation Team (CPIT). This investigation was assigned to Child Protective Services Case Manager (CM) [redacted] by Lead Investigator (TL) [redacted]

The Department of Childrens Services (DCS) received a referral on November 4, 2024, for the allegations of Abuse Death. The alleged perpetrator (AP) was identified as unknown. [redacted] (2) resided in the home with his mother [redacted] (30) brother [redacted] (9), sister [redacted] (10), and non-relative [redacted] (37).

On November 2, 2022, [redacted] was transported to [redacted] Childrens Hospital by ambulance and pronounced deceased after arriving. [redacted] mother Ms. [redacted] reported to the hospital staff that [redacted] had been sick, throwing up, and dehydrated. On the way to the hospital, [redacted] went limp, his eyes rolled into the back of his head, and he became unresponsive. The initial doctor did not find evidence of foul play. An autopsy was conducted on [redacted] The autopsy revealed that [redacted] had contusions to the left arm, and ribs, bruising on the left side of the face, and a 3 cm tear in his bowel. [redacted] spinal cord was broken between L1 and H2. The medical examiner reported that injuries like this are seen due to a car accident, and it was not reported that [redacted] was involved in a car accident. Ms. [redacted] and Mr. [redacted] reported no knowledge of [redacted] injuries or what caused them.

Ms. [redacted] reported Mr. [redacted] was present with [redacted] before [redacted] being taken to the hospital on November 2, 2022. It's reported that Mr. [redacted] called for EMS. Ms. [redacted] stated she left the home approximately 40 minutes to get her other children from school.

On November 2, 2022, Case Manager (CM) [redacted] met with Mr. [redacted] He reported that he got up to get his day started and was waiting for a client to come so he could cut her. He reported Ms. [redacted] and [redacted] were watching TV. He reported that his client arrived and spoke to [redacted] but [redacted] did not respond back like he normally does. Mr. [redacted] informed Ms. [redacted] of this upon her return to the house. He reports as the client before his client left, Ms. [redacted] gave [redacted] some Powerade, and it seemed like he was getting his strength back. He reported that after he finished with his client and his client was leaving, he noticed [redacted] was breathing and his eyes were rolling in the back of his head. He reported after trying to reach someone to take them to the emergency room, Ms. [redacted] stated she was going to walk him to the emergency room while he was already calling 911. He reported that 911 gave them instructions and they did as instructed by the 911 operator in administering CPR until the EMS made the scene. Mr. [redacted] reported that

Tennessee Department of Children's Services

Case Recording Summary

Case Id: [redacted] Case Name: [redacted]

Case Status: Close Organization: [redacted] Region

the day before [redacted] ([redacted] hadnt been eating like usual and Mr. [redacted] had been giving him Jello and water. He reported no one physically disciplines [redacted] and the older children are disciplined by Ms. [redacted] Mr. [redacted] talked about a situation a few days ago prior to [redacted] passing when his PlayStation was broken, and he was upset thinking the older kids had broken it. He reported he was extremely upset until he was told that [redacted] had broken it. He reported that [redacted] was not physically disciplined for the PlayStation being broken.

On November 2, 2022, CM [redacted] spoke with Ms. [redacted] Ms. [redacted] reported on November 1, 2024, she noticed [redacted] was not eating like he would normally. She reported during the time he was not eating; she would give him Jello and water due to him not being able to hold food down. She reported that on the day of [redacted] death, she woke up around 7:40 a.m. to get [redacted] and [redacted] to school. She reported she left [redacted] home with Mr. [redacted] due to [redacted] not feeling well. She reported that she returned home after taking the children to school. She reported about 1 p.m. they woke up and she attempted to feed [redacted] but he would only drink Jello water and would vomit afterwards. She reported that [redacted] laid around on the couch all day. Ms. [redacted] reported Mr. [redacted] would also watch her children while she worked overnight from 4 p.m. to 12:30 a.m. She reported she left [redacted] on the couch asleep with Mr. [redacted] in the backroom while he was cutting someone's hair. She reported that she left home to get her other children from school. She reported that they arrived back at the house after 3:15 p.m. because she stopped across the street to purchase a Powerade drink for [redacted] She reported that when they arrived home, she noticed [redacted] was still on the couch. She gave [redacted] Powerade to drink, and he seemed to perk up after he drank the entire cup, so she tried to give him more. By this time, [redacted] noticed [redacted] eyes were rolling into his head and he wasn't breathing. She reported that they were trying to find someone to take them to the hospital before they called 911. She reported that they called 911 and were given CPR instructions until the EMS arrived. Ms. [redacted] reported she nor [redacted] physically disciplined her children. Ms. [redacted] reported that she is unaware of what caused [redacted] death.

On November 2, 2022, CM [redacted] spoke with [redacted] She reported that when she arrived from school, she and [redacted] noticed [redacted] lying on the couch. He was not moving or eating. She reported her mother gave [redacted] something to drink then [redacted] (Mr. [redacted] picked him up and said he wasnt breathing. She reports her brother did not eat yesterday and he slept with her as usual. She reported [redacted] always cries to be with her, so she keeps him a lot. She reports she can't recollect anything before [redacted] not breathing that would cause him any pain or discomfort.

On November 2, 2022, CM [redacted] spoke with [redacted] He reported he only knew that when he came home from school, his mother gave [redacted] something to drink, and he became sick. [redacted] reported he had not been paying attention and only knew that [redacted] had not been eating like usual.

On November 4, 2022, CM [redacted] spoke with Ms. [redacted] Ms. [redacted] reported every time she saw [redacted] he would have a mark or bruise somewhere. She reported she would call Ms. [redacted] to find out what happened. She reported that Ms. [redacted] told her the [redacted] would fall or hurt himself and she would believe it and clean him up and nurse his wounds back to health. Mrs. [redacted] reported taking photos.

On November 4, 2022, CM [redacted] spoke with [redacted] She reported [redacted] (Mr. [redacted] would get [redacted] ([redacted] sometimes and take him to the back room and she would hear [redacted] screaming and crying. She reported she would see marks and bruises on him from time to time and her mother would always blame them, but they always told their mother it was [redacted] She reported that once her mother was in the back room with [redacted] when they would hear [redacted] crying. [redacted] reports [redacted] would sleep with her but sometimes shed wake up in the middle of the night and her mother wouldnt be home, and [redacted] would be in the room with [redacted] and would be crying. [redacted] reports [redacted] never whipped her or [redacted] but although she never saw [redacted] whip [redacted] she feels he did because of the way [redacted] cried and whenever [redacted] would tell [redacted] to come to him he would not. [redacted] feels [redacted] is afraid of [redacted] She reports on the day in question [redacted] laid in one spot never moving or eating. [redacted] reported she was afraid to say things at first.

On November 7, 2022, CM [redacted] spoke with Ms. [redacted] She reported on November 3, 2022, the day before [redacted] passed away, he had a burst of energy. She reported that he was up walking around but was not eating. She reported that [redacted] last ate on Tuesday morning November 1, 2022. She reported due to him not eating she was giving him jello water and Powerade but he would spit it up. She stated she had not noticed any bruising on his body other than what was on his face and lip. She reported that he got a bruise on his face from walking into a chair. She reported that [redacted] was an active 2-year-old. She reported on November 4, 2022, before taking him to the hospital she undressed him and dressed him and did not notice any bruising on his body. She reported that he did not act as if he was in any pain. She

Tennessee Department of Children's Services

Case Recording Summary

Case Id: [redacted] Case Name: [redacted]

Case Status: Close Organization: [redacted] Region

reported that she took him to the hospital due to his eye-rolling back to his head, dehydration, and fever. She reported that her boyfriend Mr. [redacted] notified her about [redacted] condition. She reported that she had no knowledge that his spinal cord was broken, and had healing fracture ribs, contusions to the left arm, or ribs. She reported that she thought [redacted] may have got a hold of something that may have made him sick. She also reported that he was around Mr. [redacted] mother who had the flu. She reported that while she is at work Mr. [redacted] and his mother [redacted] last name unknown watches her children.

On November 7, 2024, CM [redacted] received a phone call from Ms. [redacted] and she stated that she called the Medical Examiners Office, and they told her that they had not done an autopsy of her son. She stated that she does not know how the injuries came about in the report. She stated the only bruising [redacted] had been to the left bruising of his face.

On November 8, 2022, CM [redacted] spoke with Ms. [redacted] and an IPA was completed she reported that she received a phone call from Ms. [redacted] stating that Mr. [redacted] had died, and she is now at the hospital. She stated that Ms. [redacted] informed her that Mr. [redacted] was foaming and bleeding from the mouth.

On November 10, 2024, CM spoke with Sgt. [redacted] and he reported he went to the hospital and was told that Mr. [redacted] has no chance of recovery. He also reported that the doctor stated that it is possible that [redacted] was deceased before arriving at the hospital due to the doctor having a hard time opening his mouth. Sgt. [redacted] stated that the doctor has asked for other opinions and no charges have been added yet.

On November 22, 2022, [redacted] and [redacted] entered the Departments custody by a petition that was filed with the courts due to [redacted] death. The children continue to remain in Youth Villages Foster Home where they are receiving counseling services and other supportive services available through the agencies. Visits with their mother continue to be supervised by the provider agency and DCS case manager.

On November 6, 2024, the autopsy report was received and stated that the immediate cause of death was blunt force trauma to the torso and manner of death was homicide. [redacted] had contusions and abrasions, multiple rib fractures, and a laceration of the small intestine.

This case was presented to Child Protective Services Investigative Team (CPIT) on March 7, 2025. The case was classified as Allegation Substantiated Perpetrator Substantiated for the allegation of Abuse Death and Lack of Supervision. Those in attendance were ADA [redacted], Lt. [redacted] TL [redacted], and CAC members [redacted] and [redacted].

Child Death is defined as:

a) Any child death caused by abuse or neglect.

b) Any unexplained death of a child when the cause of death is unknown or pending an autopsy report.

c) Any child death caused by abuse or neglect resulting from the parent or caretakers failure to stop another persons direct action that resulted in the death of the child. Child deaths are always treated as severe abuse.

Lack of Supervision is defined as failure to provide adequate supervision, by a parent or other legal custodian/caretaker, who can do so. A lack of supervision allegation or determination means that:

a) The child has been placed in a situation that requires actions beyond the childs level of maturity, physical ability, and/or mental ability; or

b) The caregiver inadequately supervises a child. The caregiver is with the child but is unable or unwilling to supervise (e.g., the caregiver is under the influence of alcohol or drugs, is depressed, sleeps during the day, or has inadequate parenting knowledge or skills).

c) Any registered sex offender residing in the home with unrelated minor children or victim of the offender and/or caregiver knowingly resides with and/or allows children to be unsupervised with a registered sex offender.

d) Newborn infants who are ages two (2) weeks or younger and voluntarily delivered by the infants mother to a designated facility as defined by TCA 68-11-255, Procedure for Surrendering custody of Unwanted Infant Without Criminal Liability, per TCA 36-1-142) does not apply to the definition of abandonment. Procedures are followed as outlined in the Child Protective Services manual.

There was a preponderance of evidence to support the allegations of Abuse Death and Lack of Supervision regarding the alleged child victim, [redacted] and against alleged perpetrator, [redacted] birth mother.

The CM is preparing to present this case to the CPIT team on March 6, 2025. The ACV was beaten to death and the case is being handled by Homicide. Once the Department got involved, [redacted] (mother's boyfriend) committed suicide by overdosing on drugs. During the forensic, it was stated by sister, that [redacted] acted strange once that moved into the home with [redacted] She also stated that [redacted] had bruises and she could hear [redacted] hitting on [redacted]. The grandmother also stated that she saw bruises on [redacted] and the mother would just sweep it under the rug. The CM will classify the LOS against the mother as ASPS, the Mother will be ASPS for Abuse Death.

TL [redacted] and CM [redacted] staffed this case for updates. The autopsy report has been obtained and uploaded in TFACTS. The report has blunt force trauma to the torso as the manner of death. CM [redacted] spoke with [redacted] (birth mother) who reports that [redacted] was examined at the hospital due to having a cold. No injuries were reported. The day before his death, [redacted] was active but not eating. She did not observe any injuries on this body other than some bruising to his face and lips which she reports he got from running into a chair. During the initial contact, CM [redacted] spoke with [redacted] (paramour) who reports that the child had not been eating. He denied anyone using corporal punishment on [redacted] According to Mr. [redacted] had broken Mr. [redacted] play station and Mr. [redacted] was upset. The two siblings had a forensic interview [redacted] (sister) disclosed she noticed a change in [redacted] when the family moved in with Mr. [redacted] became more clingy to her and would freeze up whenever Mr. [redacted] was around. She disclosed that Mr. [redacted] would take [redacted] into the bedroom and she would hear [redacted] crying, and Mr. [redacted] hitting him. She also disclosed an incident where [redacted] could not move his arm after being hit by Mr. [redacted] Her mother would be at work during the whippings. She observed [redacted] with bruising to his face and back. Her mother would blame her and [redacted] says she and [redacted] denied to their mother that they hit [redacted] also disclosed that [redacted] had not eating. She disclosed that she observed [redacted] laying around. Mr. [redacted] said that [redacted] eyes were rolling back. According to [redacted] her mother did not want to call the ambulance but eventually did. EMTs came to help [redacted] with his breathing.

[redacted] disclosed that his brother [redacted] died but he did not know what happened. He denied [redacted] being whipped. He has heard [redacted] crying while [redacted] was in the room with Mr. [redacted] but he has never heard Mr. [redacted] saying anything during that time. Mr. [redacted] reportedly committed suicide during this investigation. The allegation of Abuse Death will be presented to CPIT with classification Allegation Substantiated Perpetrator Unknown (ASPK). The allegation of Lack of Supervision will be added naming [redacted] as the AP with classification Allegation Substantiated Perpetrator Substantiated (ASPS). [redacted] and [redacted] remain in DCS custody. CM will follow up with the assigned FSW for updates on the status of the siblings, update case notes, prepare and submit closing summary for review,.

CPSI [redacted] spoke to Mrs. [redacted] Ms. [redacted] is the mother of Ms. [redacted] CPSI [redacted] asked Ms. [redacted] how long has had temporary custody of her grandchildren. Ms. [redacted] corrected CPSI [redacted] by stating that she has had full custody of her grandchildren since May 27th. Ms. [redacted] stated that she does not know why her daughter keeps lying to everyone. Ms. [redacted] stated that her lawyer advised her to go back to court due to Ms. [redacted] stating that she can go and get her children whenever she wanted. CPSI [redacted] asked Ms. [redacted] what happened to where she received full custody. Ms. [redacted] stated that this all started back when Ms. [redacted] let her friend named [redacted] watch her twins, [redacted] and [redacted] Ms. [redacted] stated that she asked Ms. [redacted] to wait until she got off work and she would watch them. She stated that [redacted] ended up dying because she had trauma. Ms. [redacted] stated that due to Ms. [redacted] covering up for [redacted] she did not serve any jail time. Ms. [redacted] stated that the state told Ms. [redacted] either Ms. [redacted] can get her children back with her, or they will stay in state custody. Ms. [redacted] stated that due to Ms. [redacted] staying with her older sister, they gave her children back. Ms. [redacted] stated that she wouldve kept them, but it would have been too much on her. Ms. [redacted] stated that [redacted] and [redacted] have always lived with her. However, when [redacted] stated that her stepfather, [redacted] was beating on her, she came to live with her. Ms. [redacted] stated that with [redacted] Ms. [redacted] came and took [redacted] to a school in [redacted] and left him there. She stated that the school called her and asked for her to come pick up [redacted] After that, Ms. [redacted] gave her rights over to Ms. [redacted] Ms. [redacted] stated that the court put their father and her on child support because she does nothing for her children. Ms. [redacted] stated that Ms. [redacted] does not need to get any children because she beats on her husbands kids and the kids she watches. Ms. [redacted] stated that Ms. [redacted] husbands son does not go back over there because they were beating him so badly. Ms. [redacted] stated that Ms. [redacted] knew what was going on with [redacted] She stated that Ms. [redacted] has videos and pictures of what they were doing to him. Ms. [redacted] stated that she had to bandage him up and change his close to help cover up what was going on. She stated that they were on facetime and had a black eye. Before CPSI [redacted] ended the conversation, she had Ms. [redacted] send pictures of the document stating that she had full custody. CPSI [redacted] thanked Ms. [redacted] for her time.

The Department of Children's Services (DCS) received a referral alleging Abuse Death naming [redacted] as the alleged child victim (ACV). The alleged perpetrator is listed as Unknown Participant. Team leader (TL) [redacted] and case manager (CM) [redacted] staffed this case. Response time was met by CM [redacted] (2nd shift) and has been assigned to CM [redacted] The siblings were placed on an IPA with a family friend. A Child and Family Team Meeting (CFTM) will be scheduled to address safety, services, and placement. CM [redacted] reports she has spoken with [redacted] (birth mother) and discussed grief counseling. The mother is in the process of making funeral arrangements. CM [redacted] will complete a follow up with the siblings, complete background checks and TFACTS history search, request medical records, complete the Family Advocacy Support Tool (FAST) and submit for approval. This case is coordinated with law enforcement and CM will staff with the assigned detective. Autopsy is pending. Once investigative tasks are completed, the case will be staffed with TL and presented to the Child Protection Investigation Team (CPIT). CM will continue to assess safety of the siblings.

CPSI [redacted] called Ms. [redacted] and introduced herself. CPSI gave her condolences about the loss of her son [redacted] She reported that [redacted] was a health 2-year-old. She stated that he had no medical issues but had breathing problems. She reported due to his age they would not diagnose his breathing problems. She reported that she took [redacted] to the hospital a couple of months due to him being sick with a cough. She reported that he was due for his 2-year-old shots but has not gone due to her not having the $25 dollar copay. She reported on November 3, 2022, the day before [redacted] passed away, he had a burst of energy. She reported that he was up walking around but was not eating. She reported that [redacted] last ate on Tuesday morning on November 1, 2022. She reported due to him not eating she was giving him jello water and Powerade but he would spit it up. She stated she had not noticed any bruising on his body other than what was on his face and lip. She reported that he got the bruise on his face from walking into a chair. She reported that [redacted] was an active 2-year-old. She reported on November 4, 2022, before taking him to the hospital she undressed him and dressed him and did not notice any bruising on his body. She reported that he did not act as if he was in any pain. She reported that she took him to the hospital due to his eye rolling back to his head, dehydrated, and fever. She reported that her boyfriend Mr. [redacted] notified her about [redacted] condition. She reported that she had no knowledge that his spinal cord was broken, had healing fracture ribs, contusions to the left arm, or ribs. She reported that she thought [redacted] may had got a hold to something which may had made him sick. She also reported that he was around Mr. [redacted] mother who had the flu. She reported that while she is at work Mr. [redacted] and his mother [redacted] last name unknown watches her children. She reported that [redacted] father was not involved in his life and the last time he saw him was when he was about a month old. She made no report of domestic violence in the home. She stated that she was shot at while in a car. She reported that things at home are going well. She reported that she is dealing with the loss of her son and is trying to prepare things for his funeral. She reported that her children are not home with her and they are at Mrs. [redacted] home until a meeting is held. CPSI informed her that she is referring to an Immediate Protection Agreement (IPA). CPSI informed her that an IPA last for 10 days not including holidays and weekends. CPSI informed her that she does not know what is in the IPA and what stipulations were agreed on and is currently waiting for the IPA for the other worker. Ms. [redacted] stated that she wants to speak with her kids and CPSI informed her once she receives and review the IPA, she will inform her of the agreement. CPSI informed her that the meeting is called a Child and Family Team Meeting (CFTM) which is a potential removal meeting where the team will discuss next steps for her family and why DCS is involved. CPSI informed her that she

[redacted] DOB: [redacted] God-Mother
[redacted] DOB: [redacted]
Address: [redacted]
CPSI observed the home to be furnished appropriately with ni visible safety hazards.
Mrs. [redacted] reports shell keep the children, [redacted] and [redacted] for however needed. She emotionally reported how everytime she saw the reported ACV [redacted] he would have a mark or bruise somewhere. She reports she feels so bad because shed call Ms. [redacted] to find out what happened and once Ms. [redacted] told her the baby would fall or hurt himself shed believe it and clean him up and nurse his wounds back to health. Mrs. [redacted] reports shed taken photos and for sure could forward them once she located them.

CPSI spoke with [redacted] alone at the home of Mrs. [redacted] located at [redacted]. CPSI reiterated to ACV that this CPSI would not tell Ms. [redacted] or Mr. [redacted] anything she reports. [redacted] reports [redacted] would get [redacted] sometimes and take him to the back room and she would hear [redacted] screaming and crying. She reports she would mark and bruises on him from time to time and her mother would always blame them, but they always said it was [redacted] She once she remembers her mother was in the back room with [redacted] when they would hear [redacted] crying. [redacted] reports [redacted] would sleep with her but sometimes shed wake up in the middle of the night and her mother wouldnt be home, but [redacted] would be in the room with [redacted] and would be crying. [redacted] reports [redacted] never whipped her or [redacted] but although she never saw [redacted] whip [redacted] she feels he did because of the way [redacted] cried and whenever [redacted] would tell [redacted] to come to him he would not. [redacted] feels [redacted] was afraid of [redacted] She reports on the day in question [redacted] laid in one spot never moving or eating. CPsI questioned why she didnt say these things before, [redacted] reports she was afraid to. CPSI expressed the importance of being honest due to possibly having to a participate in a forensic interview and because we dont want anyone else to get hurt. [redacted] appeared to understand and agreed.

CPSI observed sibling [redacted] and [redacted] to be dressed appropriately in night clothes with no visible sgins of abuse or neglect. Sibling report they felt safe in the [redacted] home.
[redacted] reports he didnt have anything additional to report as he was at school all day.

11/4/2022 CPSI briefly spoke with Ms. [redacted] at the [redacted] PD building located at [redacted]. Ms. [redacted] reported when she was told about the injuries she couldnt understand how hed received them. She stated she may not make it home from work sometimes until after 2-3 am. She reports she has seen a mark on his face and bruises on him from time to time but no one could tell her where they came from. She reports the only additional person that may be in the home when she isnt present is Ms. [redacted] (Ms. [redacted] is the last name later provided by Mr. [redacted] She reports shes seen Ms. [redacted] tap [redacted] hand or leg once or twice but has never physically disciplined him. She reports Ms. [redacted] always tells her the kids to get on her nerves and she needs to whip her kids but she doesnt pay any attention to that. She reports the apartment belongs to Ms. [redacted] CPSI questioned why she didnt mention this before. Ms. [redacted] reports Ms. [redacted] is never there especially if shes sick. Ms. [redacted] reports shes only planned to stay until she received her taxes in February when shes able to buy a car and afford an apartment. Ms. [redacted] was not able to provide a timeline when she observed any marks or bruises on [redacted] She spoke about a bruise on the left side of his face earlier this week, but no one could answer how he got the bruise. She randomly spoke about a time recently (no date) when [redacted] would try to lift his arms to reach for her but it appeared he was having difficulty as if his back was hurting reporting she observed some marks on his back not bruises but no one was able to tell her where the marks came from. Ms. [redacted] reports she didnt seek medical attention because he appeared well after a few days of rubbing alcohol on it. She didnt think it was bad enough for medical attention.
Ms. [redacted] reports she has no family in [redacted] other than her god-sister Mrs. [redacted] who the older children are currently with.
She reports her mother resides in Kentucky and her twin sister resides in [redacted] TN.

*Ms. [redacted] was contacted and CPSI explained the Immediate Protection Agreement if the background checks cleared and the Child and Family team meeting that will follow.
While waiting on the background approvals, Ms. [redacted] denied causing the reported injuries and spoke about Mr. [redacted] being there for her and her children and that she's never observed anyone hurt them. She reports she's being treated like a criminal when she's there cooperating with the police to find out what happened to [redacted] She complained about being at the [redacted] PD office for several hours and needing to smoke. Ms. [redacted] agreed to the IPA with Mrs. [redacted]

11/4/2022 840 pm The department re The Department received a P1 referral alleging the Abuse Death of 2-year-old [redacted] and the alleged perpetrator is reported as Unknown. A second referral was received which stated the medical examiner completed the autopsy which showed the child had a few healing rib fractures, contusions to the left arm, and ribs. Also, bruises to the left side of the face, a 3cm tear on the bowel, and a broken spine between L1 &L2. The mother and paramour were at the homicide division being interviewed. According to the referral the medical examiner is expected to report the manner of death as a homicide tomorrow after which law enforcement will likely make an arrest.

11/2/2022 955 pm Mothers Paramour Mr. [redacted] reports on today when got up about around 820am, went to the living room and watched television. He reports sometime late a client called wanting his hair cut, he scheduled the appointment before 3. He reports he was on the computer making beats/engineering explaining he produces music until his friend came for the appointment. Ms. [redacted] and [redacted] were in the front watching television. He reports when his client came to the home as the client walked to the back room to get his hair cut the client spoke to [redacted] who didnt respond like usual he mentioned to Ms. [redacted] and continued to the back room to cut his friend's hair. He reports as the client was leaving is when Ms. [redacted] was giving [redacted] the Powerade and it seemed like he was getting his strength back. He thought the Powerade is working. After letting his client out, he noticed [redacted] was breathing and his eyes were rolling in the back of his head. He reports after trying to reach someone to take them to the emergency room Ms. [redacted] stated she was going to walk him to the emergency room while he was already calling 911. He reports they did as instructed by the 911 operator in administering CPR until the EMS made the scene. He reports everything was pretty much out of their hand once they arrived.

Mr. [redacted] explained he was aware since yesterday [redacted] hadnt been eating like usual and Mr. [redacted] had been giving him jello water. Mr. [redacted] described [redacted] as a happy vibrant child. He reports no one physically disciplines [redacted] and the older children are disciplined by Ms. [redacted] Mr. [redacted] suddenly described a situation a few days ago when his PlayStation was broken and he was upset thinking the older kids had broken it. He reports he was extremely upset until he was made aware it was what [redacted] who had broken it. He reports he wasnt angry anymore because hes a baby and didnt know any better. He denies anyone being physically disciplined for this.

Mr. [redacted] reports the children are home with him when Ms. [redacted] is at work, but [redacted] is mainly cared for by [redacted] reporting hell go up front to check on them from time to time but hes usually in the back on his computer producing music. Thats a usual day when describing the daily routine. He went on to state last night was no different the children were in bed by 10 pm and [redacted] slept with [redacted] Mr. [redacted] denies having any knowledge of how [redacted] stopped breathing.

Mr. [redacted] was not emotional or showed any emotion during the interview. Mr. [redacted] was calm.

Narrative Details

Narrative Type: Original Entry Date/Time: 11/08/2022 01:13 AM Entered By: [redacted]

Ms. [redacted] reports the family has been back in [redacted] TN since March 2021 and residing in the same home with Mr. [redacted] since June 2022.

Family Home: [redacted]

11/2/2022 CPSI presented and discussed all required initial DCS legal forms and procedures including: Client's Rights, HIPPA, Native American Heritage Veto Verification, Notification of Equal Access to Programs/Services, Parents Bill of rights, MRS Brochure Grievances Procedures Notification of Access of Programs and the Release of Information documents with birth mother Ms. [redacted] who agreed and signed the DCS form intake CS-00200.
CPSI gave condolences for her familys loss as Ms. [redacted] was understandably upset. CPSI explained the reason for the visit and the departments role in the investigation. Ms. [redacted] reports she and the children reside in the home with [redacted] (Mr. [redacted] She reports she works at Mcdonald's usually from 4 pm to 1230am or after on some days. Mr. [redacted] watches the children while she works. Ms. [redacted] reports on yesterday 11/1/2022 [redacted] wasnt eating like usual and had only been able to feed him jello water and nothing more due to him not being able to hold it down. She reports physically he seemed ok. On this morning she woke up around 740am to get [redacted] and [redacted] off to school leaving [redacted] at home with [redacted] because he hadnt been feeling good the day before reporting both were asleep. She reports she returned home afterward and they woke up around 1 pm. She tried to feed [redacted] but he would only drink the jello water and soon vomited it and laid around on the couch all day. She reports she left [redacted] on the couch asleep with [redacted] in the backroom cutting someone's hair when she left to go pick up the older children from school. She reports she returned home a little after 315pm because shes stopped across the street to purchase a Powerade drink for [redacted] Once home she noticed [redacted] was still on the couch when she gave him the Powerade to drink. She noticed he seemed to perk up after he drank the entire cup, so she tried to give him more when by this time [redacted] noticed [redacted] eyes were rolling into his head and he wasn't breathing. She reports at this point everyone panicked. She reports they were initially trying to find someone to drive them to the hospital but soon called 911 and was given CPR instructions until the EMS arrived. Ms. [redacted] reports by this time and until they reached the hospital she was hysterical.

11/2/2022 820 pm Child Protective Service Investigator (CPSI) [redacted] observed sibling [redacted] alone in the bedroom of the home. CPSI explained the nature of the visit to [redacted] who reports on today when she returned home from school, she changed her clothes, and while on their devices (tablets) she and [redacted] noticed her brother [redacted] on the couch not moving or eating. She reports her mother gave him something to drink and afterward [redacted] picked him up and said he wasnt breathing. She reports her brother didnt eat yesterday and he slept with her as he always did. She reports [redacted] always cries to be with her so she keeps him a lot. She reports she can't recollect anything before [redacted] not breathing that would cause him any pain or discomfort.
[redacted] reports when she and [redacted] are in trouble her mother will put them on punishment by taking away their devices but if it's bad shed physically discipline them with a belt anywhere. She reports [redacted] is never disciplined reporting no one other than her mother disciplines them.
[redacted] reports she attends [redacted] Elementary School and she feels safe in the home.
Child Protective Service Investigator (CPSI) [redacted] observed sibling [redacted] alone in the bedroom of the home. CPSI explained the nature of the visit to [redacted] who reports he was at school and only knows that when he came home his mother gave [redacted] something to drink and he became sick. [redacted] reports he hadnt been paying attention and only knows that [redacted] hadnt been eating like usual.
CPSI observed siblings to be dressed appropriately with no visible signs of abuse or neglect. Neither child appeared to be emotional but quiet and in shock.
Children were interviewed separate, alone and in private.

Child Protective Service Investigation Summary and Classification Decision of Child Abuse/Neglect Referral

Case Name : [redacted] **Investigation ID:** [redacted]

Ms. [redacted] reported the day before [redacted] passed away, he had a burst of energy. She reported that he was up walking around but was not eating. She reported that [redacted] last ate on Tuesday morning of November 1, 2022. She reported due to him not eating she was giving him jello water and Powerade but he would spit it up. She stated she had not noticed any bruising on his body other than what was on his face and lip. She reported that he got a bruise on his face from walking into a chair. She reported that [redacted] was an active 2-year-old. She reported on November 4, 2022, before taking him to the hospital she undressed him and dressed him and did not notice any bruising on his body. She reported that he did not act as if he was in any pain. She reported that she took him to the hospital due to his eye-rolling back to his head, dehydration, and fever. She reported that her boyfriend Mr. [redacted] notified her about [redacted] condition. She reported that she had no knowledge that his spinal cord was broken, had healing fracture ribs, contusions to the left arm, or ribs. She reported that she thought [redacted] may have got a hold of something which may have made him sick.

Summarize witnesses' descriptions of what they saw and what they believe indicates child abuse/neglect:

On November 2, 2022, [redacted] was transported to [redacted] Children's Hospital by ambulance and pronounced as deceased after arriving. [redacted] mother Ms. [redacted] reported to the hospital staff that [redacted] had been sick, throwing up and dehydrated. On the way to the hospital, [redacted] went limp, his eyes rolled into the back of his head, and he became unresponsive. The initial doctor did not find evidence of foul play. An autopsy was conducted on [redacted] The autopsy revealed that [redacted] had contusions to the left arm, ribs, bruising on the left side of the face, and a 3 cm tear in his bowel. [redacted] spinal cord was broken between L1 and H2. The medical examiner reported that injuries like this are seen due to car accident, and it was not reported that [redacted] was involved in a car accident. Ms. [redacted] and Mr. [redacted] reported no knowledge of [redacted] injuries or what caused them.

Summarize any other evidence or factors that support the investigative finding(s) for the allegation(s) of abuse/neglect:

[redacted] reported [redacted] (Mr. [redacted] would get [redacted] ([redacted] sometimes and take him to the back room and she would hear [redacted] screaming and crying. She reported she would see marks and bruises on him from time to time and her mother would always blame them, but they always told their mother it was [redacted] She reported that once her mother was in the back room with [redacted] when they would hear [redacted] crying. [redacted] reports [redacted] would sleep with her but sometimes she'd wake up in the middle of the night and her mother wouldn't be home, and [redacted] would be in the room with [redacted] and would be crying. Ms. [redacted] reported the day before [redacted] passed away, he had a burst of energy. She reported that he was up walking around but was not eating. She reported that [redacted] last ate on Tuesday morning of November 1, 2022. She reported due to him not eating she was giving him jello water and Powerade but he would spit it up. She stated she had not noticed any bruising on his body other than what was on his face and lip. She reported that he got a bruise on his face from walking into a chair. She reported that [redacted] was an active 2-year-old. She reported on November 4, 2022, before taking him to the hospital she undressed him and dressed him and did not notice any bruising on his body. She reported that he did not act as if he was in any pain. She reported that she took him to the hospital due to his eye-rolling back to his head, dehydration, and fever. She reported that her boyfriend Mr. [redacted] notified her about [redacted] condition. She reported that she had no knowledge that his spinal cord was broken, had healing fracture ribs, contusions to the left arm, or ribs. She reported that she thought [redacted] may have got a hold of something which may have made him sick. Ms. [redacted] reported every time she saw [redacted] he would have a mark or bruise somewhere. She reported she would call Ms. [redacted] to find out what happened. She reported that Ms. [redacted] told her that [redacted] would fall or hurt himself and she would believe it and clean him up and nurse his wounds back to health. Mrs. [redacted] reported taking photos. Mr. [redacted] reported that the day before [redacted] ([redacted] hadn't been eating like usual and Mr. [redacted] had been giving him Jello and water. He reported no one physically disciplines [redacted] and the older children are disciplined by Ms. [redacted] Mr. [redacted] talked about a situation a few days ago before [redacted] passing when his PlayStation was broken, and he was upset thinking the older kids had broken it. He reported he was extremely upset until he was told that [redacted] had broken it. He reported that [redacted] was not physically disciplined for the PlayStation being broken. The autopsy report was received and stated that the immediate cause of death was blunt force trauma to the torso and the manner of death was homicide. [redacted] had contusions and abrasions, multiple rib fractures, and a laceration of the small intestine.

YOUTH		
This section is used to describe the strengths and needs of all children and youth whose age, at the time of the assessment, is 0 to 18 years.		
Participant: [redacted]	Person ID: [redacted]	Age:Deceased

Item	Score	Justification/Narrative
Sexual Abuse Status	0	
Physical Abuse Status	3	On 11/4/22, a 2nd report was received which stated the medical examiner completed the autopsy which showed the child had a few healing rib fractures, contusions to the left arm, and ribs. Also, bruises to the left side of the face, a 3cm tear on the bowel and broken spine between L1 &L2. The mother and paramour were at the homicide division being interviewed. According to the referral the medial examiner is expected to report the manner of death as a homicide tomorrow after which law enforcement will likely make an arrest.
Emotional Abuse	0	
Neglect	2	Mother the reportedly used rubbing alcohol on the reported ACV's back because he appeared to be in pain. Marks were observed the reported ACV back but the child did not receive medical attention as the mother thought the child was ok after a few days.
