The Closing FAST was completed and scored as Safety Result: Immediate Intervention Not Recommended and Risk Result: Moderate Need/Risk. The birth mother, Ms. [redacted] stated that she hung her purse on a door handle before going into the bathroom after coming from McDonalds. At first, [redacted] was asleep downstairs where she laid him on the couch, but then he woke up and went to his mom's room. Ms. [redacted] stated that [redacted] asked for candy, and she told him not to go into her purse until she came out the bathroom. She stated that once she came out, she saw [redacted] holding the gun. The gun was in her purse in a brown fanny pack. Before she could take the gun away, [redacted] shot himself and he was later pronounced deceased. The police investigated and took away the gun. Due to the death of [redacted] the family was evicted from their home. They were living in a hotel before moving in with a family. The family's current whereabouts are unknown. CM [redacted] was unable to complete an NCPP regarding gun safety due to Ms. [redacted] later not being able to be located towards the end of the investigation. CM [redacted] put in referrals for counseling services for the family.

Child Protective Investigation Team (CPIT) was conducted via video conferencing. Present during CPIT was Assistant District Attorney (ADA) [redacted], Team Leader (TL) [redacted] Police Department Sgt. [redacted] Child Advocacy Center (CAC) Director [redacted]. The Team was in agreement with the classifications of Allegation Unsubstantiated/Perpetrator Unsubstantiated (AUPU) for Abuse Death and Allegation Substantiated/Perpetrator Substantiated (ASPS) for Lack of Supervision with no further DCS involvement.

Case Manager (CM) [redacted] presented this case on afternoon Child Protective Investigation Team (CPIT). CM [redacted] presented the case with Sgt. [redacted] during Thursday Review. CM [redacted] presented that Ms. [redacted] returned home with her family from McDonalds. She stated that [redacted] was asleep at the time, so she laid him down on the couch by her father. Ms. [redacted] stated that she put her purse on the handle of the door to go to the bathroom. She stated that [redacted] came into her room and asked for candy, but she told him not to go in her purse until she comes out. Ms. [redacted] stated that she came out and [redacted] had the gun. She stated that [redacted] then shot himself. Sgt. [redacted] presented that prosecution was declined for insufficient evidence. CM [redacted] informed the team that she was classifying the allegation of Abuse Death as AUPU, but added the allegation of Lack of Supervision and classified it as ASPS. The team was in agreement.

TL [redacted] and CM [redacted] staffed this case for updates. CM reports that the autopsy report has been obtained and the cause of death is shot wound and manner of death is accident. CM has spoken with the homicide detective about the case and no charges are being filed at this time. CM spoke with the birth mother [redacted] who reports that the day of the incident, she and [redacted] went to McDonald's. He was asleep when they returned home and she laid him on the couch. She went to bathroom placing her purse with the gun in it on the door knob. She heard [redacted] asking for candy and she told him to wait until she came out of the bathroom. [redacted] got her purse and took the gun out and accidentally shot himself. TL [redacted] and CM [redacted] staffed this case with law enforcement about the possibility that the gun would fire with the safety on as reported by Ms. [redacted] It was reported that it is possible depending on certain factors. CM will continue efforts to contact homicide regarding their investigation. CM will complete a follow up with the family regarding grief counseling and update case notes. The allegation of lack of supervision will be added to the case.

Case Manager (CM) [redacted] spoke to Ms. [redacted] via phone call, [redacted]. She introduced herself to Ms. [redacted] and informed her that she was with the Department of Children's Services (DCS) and was the assigned case worker for her case. CM [redacted] first expressed her condolences to Ms. [redacted] for her loss of her son. She also asked Ms. [redacted] how she was doing before discussing the allegation of Abuse Death and the events that led up to the incident. Ms. [redacted] greeted CM [redacted] and thanked her. She stated that she was still in shock and is just going hour by hour. Ms. [redacted] stated that around 4 am, they returned from McDonalds because [redacted] wanted a Frappuccino. She stated that when they arrived home, [redacted] was still asleep, so she laid him on the couch with his maternal grandfather, Mr. [redacted] Ms. [redacted] stated that she went upstairs, needing to use the bathroom. She stated that she went in her purse to look for her toiletries and hung her purse on the door handle. Ms. [redacted] stated that she always puts her purse in the closet and lock the door, because her gun is a brown fanny-pack, however this time she was rushing for the bathroom. She stated that she heard [redacted] come into her room and he asked her for some candy. Ms. [redacted] stated that they went to Kroger earlier that day, so he knew she had candy. She stated that that she told [redacted] not to go into her purse looking for candy until she comes out the bathroom to give it to him. Ms. [redacted] stated that she came out the bathroom and saw that he had the gun in his hand. She stated that as she was walking towards him to get it, he looked at her and said ma and then the gun went off. Ms. [redacted] stated that she brought him downstairs to her father, Mr. [redacted] and she could not tell where [redacted] was shot because there was so much blood. She stated that Mr. [redacted] tried to do CPR and later told her that he needed to take him to the hospital. She stated that as she was walking out the door, the EMTs came and took him to the hospital while the police stayed with her at the home. Miss [redacted] stated that she was not getting any updates on [redacted] so she called [redacted] She stated that [redacted] told her that [redacted] body was going to be taken to the morgue. Ms. [redacted] stated that she asked the police if they knew and all they could do was apologize and say that they had to do their investigation. Ms. [redacted] stated that she was going to sue the gun manufacturer. She stated that she always had the safety on, so she was confused how [redacted] was even able to pull the trigger. Ms. [redacted] stated that the police came in and asked her what was wrong with the picture. She stated that directed her to look at the gun. Ms. [redacted] stated that she stated that the safety was on. She stated that they confirmed that the safety was on. Ms. [redacted] stated that the police left the home due to her having cameras in the home and could confirm the family statements. She stated the police gave her victims unit and she has been talking to them.

Ms. [redacted] confirmed that she lives in the home with her son [redacted] daughter, father, and brother. She stated that [redacted] and [redacted] father and her husband, Mr. [redacted] (DOB: [redacted]) was deceased and passed on 02/23/2022. Ms. [redacted] stated that they believe that a "friend" drugged him to steal from him and he overdosed from that. She stated the autopsy found cocaine and fentanyl in his system and she knew he was not a drug user. Ms. [redacted] also stated that she lost another son, [redacted] (DOB: [redacted]) to cancer on 03/16/2018. She stated that she filed a lawsuit because she was continuously telling the hospital that something was wrong as he kept having to be hospitalized but they kept sending him home. Ms. [redacted] stated that it wasn't until she flipped out and punched a nurse that they ran another test. She stated that just about all the hospital staff came in, apologized, told her that he had a tumor, and that it was the size of a golf ball. Ms. [redacted] stated that he was transported to [redacted] on 12/25/2017. She stated that they had to cut him open to relieve the pressure/pain. Ms. [redacted] stated that eventually due to the pain of the treatment, they stopped treatment and went through the process of making him comfortable. She stated that he passed away a little while after stopping treatment.

CM [redacted] expressed her condolences for the loss of her husband and her other son. She stated that she could not imagine what all she went through and is continuing to go through. CM [redacted] informed Ms. [redacted] that not only does she investigate the allegations, she also is there to help provide the family resources and counseling. She stated that she believes that the family would benefit from grief and/or individual counseling. Ms. [redacted] stated that she would think about it. She stated that her and her household are Christians and lean on God. Ms. [redacted] stated that she asked [redacted] if he wanted counseling and she stated that he said God was his counselor. She stated that she will regularly check on him. CM [redacted] stated that if they changed their minds, she can help put in the needed referrals for counseling. She stated that she was needing to complete a home visit. Ms. [redacted] stated that CM [redacted] could come anytime after 11:00 when she is done meditating and praying over her home. She thanked CM [redacted] for her help and stated that she knows God put her in her life. CM [redacted] thanked Ms. [redacted] and stated that she would be in contact soon.

The death investigation regarding alleged child victim (ACV) [redacted] was debriefed with the following staff: Case Manager (CM) [redacted] Team Leader (TL) [redacted], Team Coordinator (TC) [redacted] CPS Director (CPSD) [redacted], and Director of Critical Incident Support (DCIS) [redacted].

The CPS investigation was assigned on 1/12/24 concerning the death of ACV [redacted] (4yo). It was reported resides with his birth mother [redacted] and two siblings [Lamaroius [redacted] 11yo and [redacted] 19yo] in [redacted] County. Also residing in the home is the 19yo siblings child [redacted] the maternal uncle [redacted] and maternal grandfather [redacted] Information regarding the birth father is unknown at this time.

It was reported on 1/12/24 911 was called from the family home reporting a gunshot wound to the head involving [redacted] EMS responded and [redacted] was transported to [redacted] where pronounced deceased. An autopsy was ordered.

At response DCS was not allowed to interview the mother as LE was completing interviews. A forensic interview was completed for the 11yo sibling, and the CM was present to observe. The 11yo brother reported sometime between 4-5am the family returned home from McDonalds soon after which he heard a lot of commotion and screaming. He came to the living room and saw his mother holding [redacted] who was bleeding heavily from the mouth and trying to talk, and his 19yo sister was on the phone with 911. The 11yo stated the gun belonged to him mother and was stored in brown fanny pack kept inside a black purse, stored in the mattress or closet. The 11yo brother stated the mother had told [redacted] not to touch the gun no matter what, but told him he could get it to the defend the family if an emergency happened. The 11yo brother stated [redacted] had toy guns and had seen videos about guns on YouTube in the past, so he knew how to shoot a gun. The 19yo sister reported the family had returned from McDonalds and [redacted] had asked for candy which the mother denied because he had just eaten something sweet for breakfast. The sister believes he went to look for candy and found the gun, then accidentally shot himself in the mouth. The sister reported the mother was in the bathroom at the time of the incident and reported similar information on how the gun was normally stored in the home. CM was able to observe the sisters 9mo child and there was no immediate concerns. Safe sleep was discussed.

CM has not been able to interview the mother or schedule home visit to date. Efforts are ongoing. It is believed LE will be

issuing charges against the mother soon. There has been no information provided by LE at this time to indicate the shooting incident was not accidental or due to anyone else handling the gun around [redacted] No concerns were reported by LE regarding the home environment or for the household members. The Department has minimal Hx involving the family. It is believed the family has no other firearms located in the home.

Next Steps:
-- CM will request ACVs most recent PCP records if applicable. Records will be reviewed and uploaded to TFACTS.
-- CM will request all interviews and information/evidence collected by LE within their investigation and review, summarize, and upload what is shared to TFACTS.
-- CM will complete home visit and assess for safety.
-- CM will complete interviews with the mother, uncle, and grandfather.
-- CM will ensure safe sleep environment is available for the infant in the home.
-- CM will address firearm safety with the family.
-- CM will discuss and assist the family with grief counseling.
-- CM will make efforts to inquire about birth father and engage.
-- CM will document and upload autopsy into TFACTS once received.
-- CM will complete Closing FAST prior to case closure.
-- CM will present findings to the Child Protective Investigative Team (CPIT) for classification review.

Employee Assistance Program (EAP) information and supervisory support was discussed with involved staff.

The Department of Children's Services (DCS) received a referral alleging Abuse Death naming [redacted] as the alleged child victim (ACV). The alleged perpetrator (AP) is listed as [redacted] (birth mother). Team leader (TL) [redacted] and case manager (CM) [redacted] staffed this case. CM reports she has spoken with the sister of the [redacted] who reports the family came home from McDonalds. Ms. [redacted] took a bath and they heard a gunshot. [redacted] was looking for candy. According to the sister, [redacted] knew where the gun was. It was under the mother's bed. CM reports that Ms. [redacted] was detained and questioned by law enforcement so no contact has been made with her at this time. CM will complete background checks. The family has DCS history but nothing substantiated on Ms. [redacted] An emergency forensic interview was completed with the 11 year old sibling who did not see the actual event. He heard yelling and screaming and saw [redacted] with blood in his mouth. CM will attempt a home visit to assess safety. CM will complete the Safety and Family Advocacy Support Tool (FAST) and submit for approval. Once investigative tasks are completed, the case will be staffed with TL and presented to the Child Protection Investigation Team (CPIT).

He stated that [redacted] did this while his mother was in the shower. [redacted] stated that his mom keeps her gun, a small glock 40, in a brown fanny-pack inside of her purse. He stated that everyone knows what is in the fanny-pack. [redacted] stated that he woke up when he heard screaming. He stated that he went downstairs to see what was going on and there he witnessed his mother holding [redacted] and he was covered in blood. [redacted] stated that he was told what happened to [redacted] He stated that he believed [redacted] got the gun because he loves guns. CM [redacted] spoke with the adult sister, Miss. [redacted] after the forensic. Miss [redacted] stated that they came home from McDonald's due to [redacted] wanting a frappe. She stated that later after they were home, she heard a pop and saw her mom bring down [redacted] and was crying. Miss [redacted] stated that his mouth was bloody. She stated that her uncle called 911 but could not speak, so she took the phone and spoke to the operator. Miss [redacted] stated that everyone knew where her mom's gun was. She stated that her mom keeps her gun in a brown fanny-pack in her purse and keeps it up in the closet. Miss [redacted] stated that [redacted] was obsessed with guns. She stated that he had nerf guns and they had to monitor what he watched on Youtube because gun videos would pop off. On 02/01/2024, CM [redacted] spoke to the birth mother, Ms. [redacted] Ms. [redacted] stated that she hung her purse on a door handle before going into the bathroom after coming from McDonalds. At first, [redacted] was asleep downstairs where she laid him on the couch by his grandfather, but then he woke up and went to his mom's room. Ms. [redacted] stated that [redacted] asked for candy, and she told him not to go into her purse until she came out the bathroom. She stated that once she came out, she saw [redacted] holding the gun. The gun was in her purse in a brown fanny pack. She stated that she always puts her purse in the closet locked up but she was rushing to use the bathroom and did not expect for [redacted] to wake up and come upstairs during that time. Before she could take the gun away, [redacted] shot himself. The allegation of Lack of Supervision was later added with the same ACV and AP. The allegation of Abuse Death is being classified as Allegation Unsubstantiated/Perpetrator Unsubstantiated (AUPU) due to there no being no evidence to support the allegation. The allegation of Lack of Supervision will be classified as Allegation Substantiated/Perpetrator Substantiated (ASPS) due the ACV dying from a self-inflicted gunshot wound from the AP's gun. On 03/21/2024, CM [redacted] presented to
