Summary Report	Fatality	10/20/2025

1. Victim: Myles Patterson– 1-year-old male

2. Was the child residing in the child's home or in an out-of-home placement at the time of the fatality?

The child was residing in his home when the following incident occurred:

On October 22, 2023, the Department of Child Safety received a report regarding 1-year-old Myles Patterson, who was found unresponsive. The father, Marcellus Patterson, was under the influence of alcohol and had co-slept with the child on a couch. Myles was brought to hospital and was later pronounced deceased. The medical examiner determined that the cause of death was complications of mechanical asphyxia, resulting from the child being smothered or compressed by an adult. On September 11, 2025, the Department substantiated the allegation of neglect to Myles by his father, Marcellus Patterson.

3. If the victim in the Preliminary Report involved a child residing in the child's home, the following information will be provided:

a. Services being provided to the child, a member of the child's family or the person suspected of the abuse or neglect at the time of the incident and the date of the last contact before the incident between the entity providing services and the person receiving services:

There were no services being provided to the family by the Department of Child Safety at the time of the incident.

b. Was the child, a member of the child's family or the person suspected of the abuse or neglect the subject of a report for investigation at the time of the incident?

No.

c. All involvement of the child's parents and of the person suspected of the abuse or neglect in a situation for which a report for investigation was made or in services provided pursuant to this chapter in the five years preceding the incident:

There has been no prior involvement of the child’s parents with DCS.

d. Any investigation pursuant to a report for investigation concerning the child, a member of the child's family or the person suspected of the abuse or neglect or services provided to the child or the child's family since the date of the incident involving the fatality:

5. Actions taken by the Department in response to the case including any changes to policy or practice and/or recommendations for further changes in policies, practices, rules or statutes:

The Department conducted a joint investigation with the Peoria Police Department. There were no other children in the home, and the case was closed. The allegation of neglect to Myles by his father, Marcellus Patterson, substantiated.

The Department reminds all caregivers to practice safe sleep. For additional information please visit the DCS website at: https://dcs.az.gov/Services/Safe-Sleep.

Additionally, in accordance with A.R.S. § 8-469, cases with prior involvement with the Department within 3 years of the critical incident are reviewed by a multidisciplinary team (MDT). The team selects cases that present opportunities for systemic learning or that demonstrate opportunities for systemic change. The Department uses the aggregate data gathered through the MDT reviews to assess and guide future changes and/or recommendations to policies, practices, rules, or statutes to improve the quality of outcomes for children and families receiving services from the department. Findings from these reviews are compiled into an annual report which is shared on the DCS website. The target date for release of the next report is December 1, 2025.
