Additionally, in accordance with A.R.S. § 8-469, cases with prior involvement with the Department within 3 years of the critical incident are reviewed by a multidisciplinary team (MDT). The team selects cases that present opportunities for systemic learning or that demonstrate opportunities for systemic change. The Department uses the aggregate data gathered through the MDT reviews to assess and guide future changes and/or recommendations to policies, practices, rules, or statutes to improve the quality of outcomes for children and families receiving services from the department. Findings from these reviews are compiled into an annual report which is shared on the DCS website. The target date for release of the next report is December 1, 2025.
