Child Maltreatment Fatalities and Near Fatalities Annual Report Fiscal Year 2024

Jackson was involved in an open Child Protective Investigations (CPI) case at the time of the fatality. The investigation was initiated on September 27, 2023, due to concerns of neglectful supervision and physical neglect of Jackson. Another intake was received on November 6, 2023, due to concerns of physical abuse of Jackson. During the investigation, Jackson died on November 6, 2023, after being found unresponsive with signs of physical trauma.
